Developing and Maintaining Your Intuitive Energy Boundaries

Sun, May 15, 10:00am-5:00pm (6.5 CEUs, PDAs)

The only sense we routinely ignore, intuition is essential to creating healthy, satisfying, and vibrant personal and business lives. Our intuition is always at work; the key is to learn how it works so that we can rely on it daily as a both a practical and spiritual tool. Because everyone's intuitive ability is unique—a combination of intuitive seeing (clairvoyance), hearing (clairaudience), feeling (clairsentience), and knowing (claircognizance)—learning to use it requires training and experimentation.

In this workshop we will discuss cultural mindset, how intuition works, and how to ask intuitive questions and evaluate answers so that you have a strong foundation on which to build a full, six-sensory life. This fun, fast-action workshop will include lecture, discussion, demonstration, individual mentoring, and individual and group practice.

Class includes:

- Guided meditation and exercises to determine your unique intuitive skill set.
- Intuitive symbology and methodology to understand intuitive mindset, identify and use your strongest intuitive ability, and evaluate intuitive insights.
- Intuitive exercises to fine-tune your unique intuitive ability with direct feedback.
- Simple techniques to maintain intuitive awareness and a grounded, balanced life.
- Incorporating intuition in your daily life, including strengthening self-confidence, improving decision-making, business team building, and holding space for clients, associates, and yourself.
- Intuitive ethics for personal and business interactions.

At the end of the workshop participants will have a solid understanding of their intuitive ability and energetic boundaries to create a vibrant intuitive life at home and at work, and the self-confidence and skills to maintain them.

UPON COMPLETION OF THIS SEMINAR YOU WILL BE ABLE TO:

- Identify their strongest intuitive ability and learn how to use it.
- Learn how to identify when intuition is at work, and when physical or emotional issues may be affecting it—and how to manage this.
- Understand daily intuitive needs, from family to work issues.
- Learn methodology and ethics for working intuitively in your daily and professional life. management practice.
- Learn how to incorporate intuition in your daily life, including strengthening self-confidence, improving decision-making, and business team building.
